### COMPANY BACKGROUND

Cheeseworks, founded in 1977, carries a large portfolio of specialty food products from domestic and international artisans, combining portfolio innovation with industry and market expertise given a dedicated sales team of 30 fine foods experts located nationwide. We add value to our customers' business by building innovative solutions that include product education, customer service and product development.

Cheeseworks owns and operates a large fleet of refrigerated delivery vehicles servicing accounts located between Maine and North Carolina in the east from our Ringwood, New Jersey warehouse, and key locations in northern and southern California from our facility in Alameda, California. We service accounts nationwide through common carrier.

### SPECIALTY FOODS PRODUCTS

*Primary:* exceptional cheeses, cheese condiments, meat and charcuterie, and deli-related items

*Secondary:* unique dairy, oils and vinegars, crackers, chocolate and specialty seafood

### SOURCING

We source products from artisans around the globe. Our portfolio features over 3500 products from North America and Europe, and we are developing portfolios from Asia and South America. Cheeseworks is always looking to represent the highest quality innovative foods and specialty items.
